TECH RIDER -

DRUMS: 1x Batteria completa con 2 tom, 1 timpano, porta rullante, asta per charleston + 1x set microfoni per batteria (rullante, 2 tom, timpano, charleston + panoramici per piatti) + 1x appoggio per computer, sequencer, piccolo mixer.

1x Complete drums set w/ 2toms, 1 floor tom, snare stand, Hit-hat stand + 1x mic. set for drums (snare, 2 tom, floor, hit-hat, panoramics for cymbals) 1x stand(chair, small table or anything else) for pc, sequencer, little mixer.

NOTE GENERALI GENERAL NOTES - Verranno lanciate delle sequenze che andranno direttamente in impianto tramite il sequencer del batterista. Sequencies will be given by the sequencer owned by our drummer, directly linked to the mixer. -

- **Bassista e chitarrista avranno bisogno da parte del fonico di un cavo XLR per collegare la pedaliera direttamente all'impianto.** Both bass player and guitar player will need 1 XLR cable each from the sound engineer to link their pedalboard directly to the mixer. -
- **Se la band viaggerà in aereo, sarà necessaria almeno 1 testata per chitarra, e almeno 4 aste per i piatti della batteria,** If the band will travel by plane, will be needed at least 1 guitar HEAD and at least 4 cymbals stands.
- HOSPITALITY – no intolerants or food issues for band members
